Can you tell us about your trip overseas?

Sure. At the beginning of June I went for six weeks. Most of the time was in England and we also went to Paris, Rome and Hong Kong.

Did you go with anyone else?

Yes. I took my teenagers Seamus and Caitie with me. They missed four weeks of school.

What was your favourite part of the trip?

Paris was amazing. We hired bikes to ride around, ate lots of delicious pastries and bread, went to coffee shops, art galleries and of course the Eiffel Tower.

In England we visited the place where Shakespeare was born, saw one of his plays, went on a canal boat, saw sights in London and enjoyed the nice summer weather. In Rome we saw the Coliseum and ate pizza.

What was your least favourite part of the trip?

The long plane ride - it takes about 22 hours. And it’s hard to get good coffee in England.

What made you decide to go on the trip?

We were visiting my uncle and showing Seamus and Caitie where their grandparents were born. And it’s always a good idea to go to Paris – I can’t wait to go back there again.

A VERY SPECIAL LADY.
LAST WEEK WE LOST A VERY SPECIAL TEACHER NAMED WENDY BALL. MRS BALL WAS A PERSON WHO TOUCHED EVERYONE THAT SHE MET. SHE WAS FUNNY, LIKED TO DANCE AND SING WITH MRS NOBLE AND ALWAYS HAD THIS BIG SMILE THAT MADE EVERYONE ELSE WANT TO SMILE. SHE WILL BE MUCH MISSED AT BALLINA PRIMARY SCHOOL BY EVERYONE. NOW WE KNOW THAT GOD HAS TAKEN ANOTHER SPECIAL ANGEL. WE MISS YOU MRS BALL.

We have a new edition to the newsletter writers and that is Jasmin Simpson. She will be our photographer.

She has already taken some brilliant photo’s through out this copy of The Monthly Buzz that you are reading.

“My name is Jasmin and my hobby is photography. The definition of photography is the art of taking photos with chemicals on a sensitive light or plate. I like taking photos because you can emit the feelings and emotions you feel. I am looking forward to working with the newsletter team”.

The Ned Show

Thursday 7th August we had a show called ‘The Ned Show’. It was held in our school hall and was really funny. He did cool tricks with the yoyos and he asked us some questions. Hayden won the crown and a yoyo. Well done Hayden!

Ned talked to us about:

- Never give up
- Encourage others
- Do your best
